“ Wayne, you touched me directly through your notes and stories but also through Mike and how you inspired and uplifted him. I never got to meet you but looked forward to it greatly. I truly hope both you and your family know that your hope/wish was granted you were inspiring and uplifting to the end. With love the Steensons

“ Wayne Reynolds was a good friend, colleague and fellow bike rider. It is sad he was called long before his time. He will truly be missed by all those who's lives he's touched. My thoughts and prayers are with you, you're family and your friends. Rest in peace my friend.
