RM

“ We moved from Vancouver 3 years ago. We just got out of touch with Bill and Velma and now I found this on the web. He will definitely be missed although we've missed them both for 3 years now. I met Bill around 1993, we were the best of friends and exact opposites. I tried so hard to show him the joys of throwing things away. So hard I tried and I think I almost got through once or twice.
