“ When I think of people that I admire, I think of Bill because of his willingness to always step in and help where he could. I always liked the way that Bill absolutely loved his dog, "Bonzi" and would think of him before making any plans to be away, Bill was always thinking of others before himself. I will always remember him as a kind and giving person. I will Never forget Bill.

“ Bill was one of my closest friends, always kind, considerate and thinking of others, we went to ball games (Blazers and Beavers) together those were special to me to have and know such a great and giving friend. My grandsons who loved Uncle Bill and Bonzi were devastated by the news. We will remember you forever in our hearts and minds!!
