“ We were so sad to hear of Bill's passing. We were fortunate to know him over the years. He was a great mentor to my husband working in the shop. He learned a lot from him. I enjoyed every spring talking about our gardens, what we were going to grow. Our daughter grew up at that shop, she loved coming in to see dad working. Bill always had a piece of candy for her. She still remembers meeting the goats out at his house. We are sorry we didn't get to see him again. We give our condolences to Maureen and Linda and to his family and friends. We will always remember Bill.
