“ Dear Brian, Loretta and Jim: We are very sorry for the loss of "Locky". He was our brother-in-law, uncle and friend. He was a sweet soul, and we will all carry our own memories of having him in our lives, these many decades. Brian, you have done a wonderful and loving job, of making sure he was cared for and comfortable. You are to be commended for your dedication and caring, thank you. Tho' he is no longer suffering, and his lingering between two worlds is over, we know he has left a hole in our world, that can never be filled. We will be praying for the comfort of everyone who feels the loss. Our deepest condolences. Vera and Walt Bassett, and Sharon and Terry Woosley.

“ Oh, Uncle Locke, I feel a definite loss. You always made me feel so totally loved and appreciated. If I feel that way, I know how much more your children and their families must feel it. Our prayers are with all the family! Love, Love, Coni, George, & Jeffrey
