“ *My husband, Louie, our daughter, Lorien and myself are all praying that you find the strength, peace and grace so desperately necessary for you to let your little one go with God. I cannot say I can even begin to understand what you are going through, and I pray to God with all my heart & soul that we never have to. Just know that there is a very real & very great plan in every act of God. I pray that this can bring you some relief. We are so sorry for your loss. Please accept our gift to help with final arrangements which we are sending tomorrow to the funeral home. Blessed Be, The Cuevas Family*
